Duration by Month

This chart sums the duration of the coaching logs in each month in the window. (Example below)

Criteria Used for this Report

The criteria selected when running this report

Page 1 of 1

Generated: *The date and time that the report was generated.*

Intent: This report calculates summary information for all the classroom coaching logs (CCLs) that fall within the selected date range window. The report can be filtered by coach and/or observed employee in order to perform more detailed analysis.

Criteria:

Criteria Name	Optional?	Description
Start Date	No	This date forms the start of the window. Only coaching logs between the start date and end date will be included in this report.
End Date	No	The date forms the end of the window. Only coaching logs between the start date and end date will be included in this report.

Program(s)	No	Select one or many programs to include coaching logs from the selected program(s).
Employee(s)	Yes	Used to limit the report to coaching logs that have the selected employee(s) as the coachee.
Coach(es)	Yes	Used to limit the report to coaching logs that were submitted for the selected coach(es).
