Intent: This report is designed to export all the Classroom Coaching Log records for the specified timeframe and program(s)/hub(s)/cohort(s). This report includes all the Classroom Coaching Log records that have a Coaching Date between the Start Date and End Date and the Classroom Coaching Log records exist within the selected Program(s), Hub(s), and Cohort(s).

Classroom Coaching Log Worksheet: This worksheet includes all the Coaching Logs that meet the following criteria:

1. The Coaching Log has a Coaching Date that is between the Start Date and End Date criteria.
2. The Coaching Log exists within the selected Program(s), Hub(s), and Cohorts(s).

Coachees Worksheet: This worksheet includes all the coachees that are associated with the Coaching Logs that are in the Classroom Coaching Log Worksheet.

Criteria Name	Optional?	Description
Start Date	No	This date forms the start of the window that determines what forms to include in the report. Only Classroom Coaching Logs that have a Coaching Date inside the window will be included in the report.
End Date	No	This date forms the end of the window that determines what forms to include in the report. Only Classroom Coaching Logs that have a Coaching Date inside the window will be included in the report.
Program(s), Hub(s), and Cohort(s)	No	<p>This filters the Classroom Coaching Logs that are included in the report.</p> <p>All programs, hubs, and cohorts that are selected will be combined into a distinct list of programs. This is accomplished by determining what programs exist in the selected hubs and cohorts, and then adding that list of programs to the list of specific programs that were selected by the user. After that, any duplicate programs in the combined list are removed. Only forms that are for the programs in the de-duplicated list will be included in the report.</p> <p>NOTE: Only certain users have access to the hub and cohort criteria. Most users will only have access to the program criteria and only have one option in that program list.</p>
