Criteria Used for this Report

The criteria selected when running this report

Generated: *The date and time that the report was generated.*

Intent: This report is designed to help track the number of trainings that were completed during a specified time period. This is accomplished by displaying each type of training, the number of times the training was completed during the time period, the names of the professionals who completed the training, and the training dates.

Criteria:

Criteria Name	Optional?	Description
Start Date	No	This date forms the beginning of the reporting window.
End Date	No	This date forms the end date of the reporting window.
Program(s)	No	Used to specify what programs' professionals should be included in the report results.
