Criteria Name	Optional?	Description
Start Date	No	This date forms the start of the window that determines what forms to include in the report. Only Benchmarks of Quality FCC Version 2 forms that have a Form Date inside the window will be included in the report.

End Date	No	This date forms the end of the window that determines what forms to include in the report. Only Benchmarks of Quality FCC Version 2 forms that have a Form Date inside the window will be included in the report.
Program(s), Hub(s), and Cohort(s)	No	This filters the Benchmarks of Quality FCC Version 2 forms that are included in the report. All programs, hubs, and cohorts that are selected will be combined into a distinct list of programs. This is accomplished by determining what programs exist in the selected hubs and cohorts, and then adding that list of programs to the list of specific programs that were selected by the user. After that, any duplicate programs in the combined list are removed. Only forms that are for the programs in the de-duplicated list will be included in the report. **NOTE:** Only certain users have access to the hub and cohort criteria. Most users will only have access to the program criteria and only have one option in that program list.
